## LOCAL RUNNING TIPS

**STAY HYDRATED:** Especially on hot days, consistent fluid intake is essential to replace water lost through sweating and breathing. While running, take in 8 ounces of water or sports drink every 15 to 20 minutes.

**FOLLOW THE TRAIL:** The Reedy River trail is the place to run in Greenville, as it connects nearby Cleveland Park and Falls Park, which feature an array of landscaped gardens, nature trails, scenic overlooks, picnic areas, even the ruins of an old mill.

**CITY DETOUR:** From Falls Park it's a short jaunt to Greenville's main business district. In warmer months, Greenville features countless open-air concerts.

**TWO-WHEELED TOURING:** When your run is done for the day but you still want to burn some calories, look into a downtown bicycle tour that takes in the sights (see the concierge for details).

**WORTH A VISIT:** For running shoes, apparel, and accessories, head over to Fleet Feet Sports ([www.fleetfeetgreenville.com](http://www.fleetfeetgreenville.com)). And if you're looking for training partners while you're in town, this is the place to go, as the store hosts several group runs during the week.

**RUN WITH THE LOCALS:** To get info on the local running scene, including low-key races that may be happening during your stay, check with the Greenville Track Club at [www.greenvilletrackclub.com](http://www.greenvilletrackclub.com).
